Description:

He portrayed Mark Twain and was WONDERFUL! Brought his own spotlight & media presentation - very professional, very funny, very educational. We had a really big crowd (ages 5 - 85) & every single person loved it. He performs in Branson, MO & was just in the area but he said he will be back in 2011. I would book him again, he was just that good.

Comments: One of the largest program attendances we've had (over 100) & you need to make sure you have a stage or a raised area. You also need to have a screen where he can project his multimedia presentation and he does have a spotlight & operator. Once again, I cannot say enough good things about Dave - just amazingly good & professional.
